Attention Brian Brown

Dear Brian

On behalf of the Committee and Members of the Euchre Card Club I wish to convey our appreciation to the Management, the Board of Directors, and all staff at Club Banora for their continued support. We find that everyone we have any dealings with helpful, professional, and friendly.

The generous grant provided by the Board enables our Club members to enjoy wonderful social evenings playing Euchre, Christmas in July, and Christmas parties we hold at Club Banora. Our twice-yearly Barbeques held at a member's home are always lots of fun.

Although our membership is aging, we have recently had two new younger members join us, so Euchre is not dying out after all.

The Euchre Club play each Thursday at 6.30pm at Club Banora and we welcome both members and visitors alike, so please come along and join us.

We wish the Board continued success in the coming year.

Regards

Dear Rob,

On behalf of the committee and members of Club Banora Golf Club, we would like to thank the Board for the tremendous support of the Golf club.

With the recent funding for each member in 2024 and the support for our 40th Anniversary this year, we are appreciative beyond words.

Your support on its many levels has allowed the Golf Club to hold our 40-year Anniversary, celebrated in April with great success.

The recently announced funding will ensure that this year will be a true celebratory year.

We also thank you for the upkeep and maintenance of the course, which is our pride and joy and wish the Board, yourself and staff every success in 2024/25.

Yours sincerely

Our Club continues to maintain its memberships at between 89 to 95 each month and over the winter is more active due to the cooler weather. Club Banora Garden Club - Presidents Report

I have immense pleasure in reporting on Club Banora Garden Clubs activities for the last twelve months.

Firstly, I would like to thank the Board for the use of our meeting room at Club Banora and for all the help they gave us during the year 2023.

Club finances are in a healthy state, some of this being due to the Boards generosity.

Our members have enjoyed many functions including bus trips, a great Christmas in July lunch, a Christmas lunch, and several morning teas held at members' homes.

A big thank you must go to those members who offered their homes.

Benching for 2023 did us proud and a big thank you to all that entered.

We have also enjoyed a vast variety of speakers throughout the year.

I would also like to thank my amazing committee.

Thank you all.

Maria Harry
Club Banora President

To the Board, Management and Staff of Twin Town Services Club.

The committee, members, players and families connected to our Snooker Club would like to pass on our appreciation for all the efforts and support provided to us by everyone at Twin Town Services Club throughout the last 12 months.

Our Snooker Club continues to be regarded as one of the best clubs where players and their families come from long distances to compete in the various tournaments we run. The staff at Club Banora are to be commended for their efforts and support to the cause.

We have a strong level of membership and our members are enjoying success in senior and junior championships throughout Australia. We would like to highlight our appreciation for the Twin Towns Community Foundations for their ongoing support of our junior coaching program. As a result, in the last 12 months, we have achieved an Australian U18 National Billiards Champion, NSW U18 Snooker Champion, NSW U18 Billiards Champion and Runner Up, as well as success at U15 and U12 levels.

We have been consistently supported in terms of lighting, table equipment, table maintenance, and general financial support when required.

Thank you from us all.

Jimmy
