SKYLINE'S FERRIS WHEEL RETURNS

If you've driven or walked by Twin Towns at night over the past few weeks, you would have seen the giant 35-metre-high Ferris Wheel lighting up the sky behind the Club.

Skyline Attractions' giant Ferris Wheel at Jack Evans Boat Harbour gives you a 360 degree bird's eye view of the border towns and the ocean beyond.

If you're planning a visit to Jack Evans Boat Harbour for a ride on

the Ferris Wheel, call into Twinnies afterwards for dinner, drinks or cocktails on the Harbour Terrace Balcony.

Skyline attraction's Ferris Wheel is in action day and night until 13 October.

In early September, Twin Towns is giving away two Gondola passes for up to six people. Keep an eye on Twin Towns' facebook or Instagram pages for a chance to win one.

RELOCATION OF ATMS

As part of reforms to strengthen gambling harm minimisation requirements in NSW, cash dispensing facilities (ATMs) have been relocated to the main entrances at Twin Towns, Club Banora and Juniors.

This is to ensure compliance with legislation that came into effect from 1 July 2024 which stipulates ATMs and ATM signage cannot be visible from certain areas of the Club.

Compliance Manager Stuart Wilkins said numerous enquiries have already been received from members who are unhappy about the move.

"Some people are confused as to why Twin Towns has moved the ATMs but as we have assured them, this wasn't a decision made by management.

"The change is about giving people a chance to think about their next withdrawal before they make it.

"The same regulation now applies to all NSW Clubs and pubs so they will encounter the same scenario at other Tweed Clubs, as well as Clubs right across the State over time," said Stuart.

Twin Towns is an industry leader in compliance initiatives, and management continually monitors and adapts to the complex and ever-changing regulatory landscape.

As well as adherence to harm minimisation measures, the Clubs also have responsibilities under Gaming & Liquor Legislation and the Registered Clubs Act.

Stuart said he hopes members understand that sometimes it's impossible to strike a balance between what members want and what is required by law.

"It is never our intention to inconvenience members.

"Significant fines and penalties apply for breaches of the Acts and gaming regulations and that's something we must continue to avoid at all cost," said Stuart.

Savour a feast of hand-made traditional and gourmet pizzas, fresh from the oven, including vegetarian options and rotating daily specials.

Enjoy anywhere in the Club or takeaway.

Level 1, Twin Towns.

I had originally drafted a report for August but due to a glitch in my computer, that report now resides in the ether or some other place where it will never be found.

I find it strange how we, as human beings, rely so heavily on artificial intelligence to complete our tasks and then become angry when something goes wrong.

I was more frustrated than angry, and I have not thrown anything yet but that may occur before I get to the finish. Let us see how we go this month.

One of the Board's long-serving Directors has decided to retire and move to another area of the State.

David Phillips Lt Col (Ret) OAM was elected to the Board of Directors in 2008. He served on several Committees and became Deputy Board Chair in 2020.

David also Chaired the Local Club Grants Committee, Twin Towns Services Community Foundation and a number of local charities.

He was also the driving force behind the old Saint George's apartments at Rainbow Bay being redeveloped into The Garland, with accommodation for service personnel as a part of the development.

I was fortunate to be elected the same year as David and we became good friends enjoying each other's company. David is what you would call a truly genuine 'Bloke' and I do not care if this is not politically correct because that is what he is.

David will be missed around the Clubs as he and Rosie were regular visitors at all three venues.

The happy couple are moving to Hervey Bay on the Fraser Coast

where they will continue their adventures, which I am certain will involve a fair amount of sailing on their recently purchased yacht.

On behalf of Members, Management and the Board, I wish David and Rosie health and happiness in the future.

The Master Plan for the redevelopment of the Club Banora precinct continues to be refined. A number of alterations that may be required are being identified before a development application is made to Tweed Shire Council.

The process is long and time-consuming. The end result, however, will be well worth the wait and the community will have a modern retail and town square facility to be proud of.

Cost of living pressures continue to trend in the wrong direction with the price of essential goods and services affecting the lives of those most vulnerable in our community.

I called into the local service station to fill up my vehicle and couldn't believe the cost of petrol and diesel. The rising price of electricity and the

increase in wages are just a few of the rising costs passed onto the consumer by businesses as they try to survive.

There are other hidden taxes and price increases that are passed onto businesses and the consumer by automatic six-monthly excises that often go unnoticed by the public.

The Club is not immune to these increases. We have had to pass these costs onto our members and visitors but have tried to keep increases as low as possible for our valued members.

The reinvigoration of Jack Evans Boat Harbor is progressing with areas along the foreshore undergoing refurbishment or replacement. The entire area now looks inviting and families are beginning to visit this once-iconic area.

There is a giant Ferris Wheel operating daily until mid-October, providing those game enough with the chance to gain a new perspective of the area from a great height. I encourage all locals to visit the area with their families when you have time.

Sunday 1 September is the day all fathers are treated like kings by their families. Happy Father's Day to all the Dads, wherever they may be. Have a great day.

Until next time,
Brian Brown

Best wishes to David Phillips, OAM, who recently stepped down from the Board of Directors after 16 years of dedicated service to the Club, its members and the local community.

The Den is coming to The Sebel

CONSTRUCTION IS CURRENTLY UNDERWAY ON AN EXCITING ADDITION TO THE SEBEL TWIN TOWNS WHICH WILL BE KNOWN AS THE SEBEL DEN.

The Sebel Den will be the Hotel's new guest lounge, located adjacent to reception on the Lobby Level.

The project, which also includes Executive offices and meeting space, and improvements to the hotel's carpark lift access, is being undertaken by Tweed-based building company, TLF Developments.

TLF has completed many successful major projects for Twin Towns, including the Juniors redevelopment and refurbishment of the Hotel's lobby bar and lounge, reception and five levels of hotel rooms. TLF also completed the Harbour Terrace Balcony expansion project.

Around 50 or more local tradies are involved in the project: concreters, carpenters, cabinetmakers, electricians, plumbers, plasterers, painters, landscapers, renderers, glaziers, roofers, metal fabricators and floor layers.

Twin Towns CEO Rob Smith said it's fantastic to see so many locals sharing the workload on this project, as was the case with Juniors and other major projects undertaken by TLF on behalf of the Club.

"Employing locally is investing locally.

"It's another example of how 'Twinnies Gives' year-round, injecting millions of dollars into the local economy by supporting local trades.

"The project will also give back to the various local companies supplying the various building products required for the Den and office space," said Rob.

TLF Developments Project Manager, Scott McClintock said at this stage, construction of The Sebel Den is on track for completion in October.

Twin Towns members staying in the Sebel Twin Towns will have exclusive access to this high-end lounge and outdoor area with self-catered beverages and snacks.

If you are staying inhouse later this year, be sure to check it out.

KIDS DAY 2024

Thanks to Twinnies Gives and Twin Towns Services Community Foundation, over 200 local children with additional needs had the time of their lives last month at Kids' Day, the biggest free-for-all kids' party in the region.

Since 2005, more than 4,000 kids, and their parents and siblings, have attended these annual events at Twin Towns.

Sandy Rogers from local community organisation Kids in Need said the positive feedback from families that attended was fantastic.

"Everyone said what an amazing event this is. It's every child's dream come true!"

"The kids delight in all the fabulous food, fun and entertainment and parents get a little time to sit back, relax and catch up with other mums, dads and carers.

"Thank you to the staff that go over and above to make this day so special," said Sandy.

Earlier this year, Twin Towns won the prestigious NSW Clubs & Community Award in the Social Inclusion category for the Kids' Day initiative.

Another epic arvo of UFC action is coming to the Tavern when Sean O'Malley defends his Bantamweight Title against Merab Dvalishvili on Sunday 15 September from 12pm.

The sparks will also fly when Alexa Grasso takes on ex-title holder Valentina Scevchebko for the Women's Flyweight Title.

UFC 306 marks the second 'Noche UFC' edition, celebrating Mexican Independence Day, and the Mexican fighting spirit, with a seriously stacked card.

O'Malley (18-1-0-1) has only recorded one loss against Marlon Vera in 2020, a defeat he revenged when he beat Vera by unanimous decision at UFC 299 in March.

Dvalishvili, aka The Machine (17-4 MMA, 10-2 UFC), is considered a "nightmare matchup" for O'Malley.

His unrelenting takedown and grappling game have led to a formidable 10-fight winning streak, one he aims to continue at UFC 306.

If you're looking for the perfect venue to watch these fights live and loud, you won't beat 1st on Wharf Tavern.

There are 22 beers on tap, hearty pub-style meals, TAB, outdoor terrace and the best seats in front of the 5.4 metre MEGAscreen for all the UFC action.

If you're a local member, book in advance for a Twin Towns GO-2* to take you to and from the Tavern. These door-to-door transport vehicles hold up to 10 people.
