Best wishes for a joyful holiday season and a happy and prosperous New Year.

The Clubs are open every day over the Christmas break, except for Christmas Day.

REDEEM YOUR MEMBERS ADVANTAGE POINTS

BEFORE THEY EXPIRE ON NEW YEAR'S EVE, TUESDAY 31 DECEMBER

You've earned them throughout the year and December is your last chance to spend them. Members have until close of business on New Year's Eve to redeem their Members Advantage Points.

HOW TO REDEEM YOUR POINTS:

❄️ The Pitstop terminal has a variety of physical and electronic gift cards or Visa/EFTPOS Gift Cards. If you're not sure where to find the terminals, ask one of our friendly staff. Use these cards for Christmas gifts, to fill the pantry with groceries or stock up the fridge with your favourite beverages. The minimum card value is \$50, so you'll need 5,000 points.

❄️ Twin Towns gift cards are available and they're valid for up to three years. The minimum card value is \$20 so you'll need at least 2,000 points. Use these for food and beverage purchases at the Clubs.

❄️ Here's an easy option! Spend your points at the Clubs ANYTIME for food, beverages and more.

Check your points balance on the Twin Towns app, at any point of sale, at the Kiosks or via the Members Portal on the Twin Towns website.

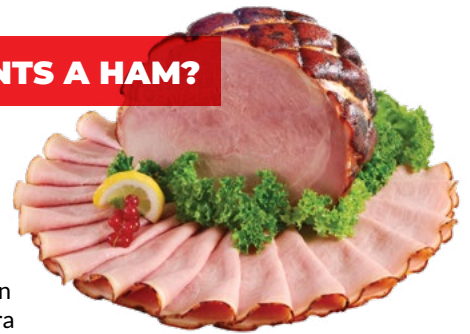

The most important thing to remember is to redeem your points before the end of 2024.

BOARD CHAIR'S REPORT

The end of 2024 is fast approaching and we will soon welcome 2025. I hope the year has been kind to all Australians, no matter where they reside or call home now.

For many it has been a difficult 12 months, with cost of living expenses going up in increments not seen for a long time, and home loan repayments increasing almost monthly. This is hurting young families, with some at breaking point trying to survive this difficult time.

The older generation, especially those on Government support, are also affected by these abnormal cost increases for essentials like food, clothing and accommodation. There are also the costs for basic things like filling up the car to go for a day out.

These simple things impact our wellbeing, no matter what our age.

Your Club is not immune from these impacts, and they are the reasons some costs have risen so quickly. History tells us that we will all find a new equilibrium over time and this period will be one that we will all remember having managed in our own ways.

I have been out walking, trying to keep a little bit fit, and my wife informs me she doesn't think it's working. Only time will tell. I noticed a few tents on the foreshore along the Tweed River and was saddened to see the amount of rubbish and shopping trollies left around the area and overflowing garbage bins.

It does not make a pretty sight and must be a nightmare for council employees who have to clean up the garbage left behind. It is, of course, another example of the challenges being faced in our community. I don't have the answers but hope those in

positions of power look for better solutions because surely this is not it.

The upgrade at Twin Towns Resort has been completed and the new Sebel Den, which opened in early November, is accessible to Twin Towns members staying inhouse.

Feedback has been very positive and the new space is appreciated by members looking for a peaceful place to relax or work or those who arrive earlier than check-in time.

Twin Towns Clubs and Resorts have been getting into the Christmas spirit with decorations throughout the properties. The kids really enjoy the atmosphere that only Christmas brings.

Thanks to all our staff who will be working over the festive season. Please take as much time as possible for yourself and family when your roster allows.

Our thoughts are also with our emergency services personnel that provide professional expertise 24 hours a day, seven days a week. Traditional breaks don't apply to these fine people.

As Christmas is upon us, I take this opportunity to thank all members for their support during the year.

On behalf of the Board, I wish all our members and staff a very Merry Christmas and a safe, healthy and happy New Year.

I hope all your wishes come true and you can share this special time surrounded by family and friends.

There are members of our community, who through no fault of their own, will be alone over the festive season. If you know someone in this position, I'd encourage you to reach out if they need assistance, or just a friend.

Stay safe and I look forward to catching up in the future.

Don't forget to use your points before the end of the year as all points will be purged on 31 December 2024.

Merry Christmas! Until next time.

Brian Brown

Christmas Cheer

Twin Towns is about to make Christmas a little merrier for members with a \$10 Christmas Cheer e-Voucher (excludes Club Key members).

From 23 to 24 December, receive a \$10 Christmas Cheer eVoucher INSTANTLY when you make a single cash, EFTPOS or credit card purchase of \$5 or more on food or drinks.

The eVoucher will reside 'virtually' on your membership card and can be spent at the Club of your choice - Twin Towns, Club Banora or Juniors.

Enjoy a Christmas drink on the house or \$10 off a meal or snack at one of the Clubs' restaurants and cafés.

If you're a Club Key Member, you're not eligible to receive the eVoucher unless you upgrade before Monday 23 December. And the timing to do this is perfect!

Not only will you get the cost of your one year membership fee back in Christmas Cheer, you'll also get to enjoy all the perks and bonuses that full members receive all year round.

Come into the Club during the two days before Christmas to claim your eVoucher and use it before close of trade, Tuesday 24 December.

CHEERS, AND THANKS FOR BEING A MEMBER!

CUDDLE COTS

GIVING LOCAL FAMILIES THE GIFT OF TIME

When Tess Harlock from Tweed Heads approached Twin Towns about holding an event at the Club to raise money to purchase Cuddle Cots for local hospitals, she was 'over the moon' to learn that the Twin Towns Services Community Foundation wanted to help out.

The Foundation donated \$6,500 to cover the cost of Tess' first Cuddle Cot, which was recently presented to the team at the Birthing Unit at John Flynn Hospital.

Cuddle Cots are designed to support families who have experienced a stillbirth or neonatal child loss.

A Cuddle Cot extends the time available to parents to bond with their child, take photos and say goodbye. They allow the family to spend up to five days with their baby as a family unit, to create memories and help them process their grief.

Tess said the Cuddle Cot would help support families who were faced with the same heart-breaking moments as she and her family, when their treasured son Noah was stillborn in January this year.

"Although we hope and wish these Cuddle Cots will not be needed, we're thankful they are there for families when the devastation of losing a child does occur.

"The Foundation has helped us leave a legacy of love in honour of our son, for future local families who lose a loved and longed for child," said Tess.

The response Tess has received to her fundraising efforts has far exceeded her expectations, with the latest tally in excess of \$60,000.

Tess continues her amazing work to help more families in the community cope with the loss of a child. She is currently researching more local hospitals that would benefit from the addition of a Cuddle Cot.

KEEPING YOU SAFE

We've all read the signs or heard the term 'Responsible Service of Alcohol' or RSA when we've visited licensed premises such as clubs and pubs.

RSA isn't just about putting a dampener on your big night out, whether it's a long-awaited catch up with mates, a special occasion or celebration, or Christmas drinks with your work buddies.

RSA is about ensuring intoxicated people don't become a danger to themselves or others around them.

To comply with the Liquor Act 2007, all licensed premises in the country, including Twin Towns, must ensure that alcohol is not sold or supplied to people who are intoxicated.

Breaching this legislation can result in the Club being fined up to \$11,000. There is also the risk of litigation if a person injures themselves or others because of their intoxication.

Many patrons aren't aware that supplying alcohol to an intoxicated

IT'S OUR
JOB, AND
IT'S THE
LAW

person or a minor can also land them in hot water, with on-the-spot fines of \$1,100 if they're caught.

Twin Towns Compliance Manager Stuart Wilkins said it is Twin Towns duty of care to every member of the community to promote responsible drinking practices.

"In no way do we set out to limit people's choice to drink and have a great time.

"What we don't want to do is allow people to drink to excess and place themselves, other patrons and members of the community at risk.

"Dealing with intoxicated patrons, refusing to serve them more alcohol or ejecting them from the premises can be a stressful, and at times, dangerous job for our staff.

"All we ask is that patrons keep track of their alcohol consumption.

"If you have lost count of how many drinks you've consumed, you've had too many," said Stuart.

OUR LAWS ARE TOUGHER!

Many people don't realise that RSA laws in NSW are amongst the strictest in the country.

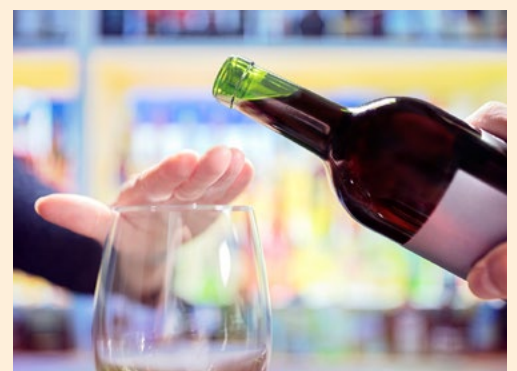

For example, in Queensland, you must be 'unduly' intoxicated before being cut off. You can still stay on the premises and sober up, provided you don't drink.

In NSW, if you are 'nearing' intoxication, we must cease serving

you alcohol AND make you leave the premises.

You must move at least 50 metres away from the Club or we must call the police to evict you. There is no option to stay on or near the premises.

Drinking water or having your friends look out for you is not an option. In NSW, we have to send you on your way. That's the law!

TWEED COMMUNITY CLUBS

Stronger together

OVER 70 PEOPLE GATHERED AT TWIN TOWNS RECENTLY FOR THE RELAUNCH OF THE TWEED COMMUNITY CLUBS.

Representatives from Tweed Clubs, along with the Mayor of the Tweed Shire, had the opportunity to meet the latest grant recipients and learn about their inspirational work.

Twin Towns Deputy Chair, Sharon Styman, who was voted Chair of the Tweed Community Clubs earlier this year, said the event was a celebration of the passionate and hardworking people behind these local community organisations across our Shire.

“The fundamental purpose of Tweed Community Clubs is to ensure that everyone in the Tweed area gets the support they need to grow and thrive, which in turn helps build a stronger local community.

“Through shared goals and collaboration between the Tweed Clubs, our impact can stretch much further,” said Sharon.

In the latest round of funding, 38 local recipients received a combined total of almost \$800,000 in grants from Tweed Community Clubs.

The organisation includes Cabarita Beach Bowls and Sports Clubs, Club Tweed, Kingscliff Beach Bowls Club, Seagulls Club, Pottsville Sports, Murwillumbah Services Club, South Tweed Sports Club and Twin Towns Clubs and Resorts.
