Nurse Unit Manager at Tweed Valley Hospital Children's Ward Reshmi Rathi Kumari and Twin Towns Community Engagement Officer Kym Kranen

# Supertees for superhero kids at Tweed Valley Hospital

**SICK KIDS AT TWEED VALLEY HOSPITAL WILL BE REACHING FOR THE STARS AND LIVING OUT THEIR SUPERHERO FANTASIES, THANKS TO A DONATION OF 96 SUPERTEES FROM TWIN TOWNS.**

Supertees are specially designed for children facing lengthy hospital stays and sometimes, life threatening medical conditions.

Cleverly disguised as a fun costume, Supertees are inspired by Marvel characters, Captain America and Captain Marvel.

They enable easy access for thermometer checks and have small press studs on the sides for organising and bypassing IV drips, central lines, feeding tubes and monitor cables. They are also MRI and PET Scan friendly.

On behalf of the staff, children and families at Tweed Valley Hospital, Nurse Unit Manager Reshmi Rathi Kumari extended her heartfelt gratitude to Twin Towns for the generous donation of Supertees.

"This thoughtful contribution has brought so much joy and comfort to our young patients and seeing their smiles when they receive the Supertees is truly heartwarming.

"We are deeply grateful to Twin Towns for their generosity and the effort they have put into making a difference for children who stay in our ward."

'Superhero' Illouka Boyd in his Supertee

Recently appointed Twin Towns Community Engagement Officer, Kym Kranen, said the best part of her job is meeting recipients of ClubGRANTS such as Reshmi and her team.

"Seeing and hearing firsthand the stories about the positive impacts of a donation makes me very proud to work at Twin Towns.

"Every Twin Towns member should be proud of their Club too because the financial support we provide to community

organisations is thanks to our 66,000-plus members.

"It's through their membership and ongoing patronage that Twin Towns is able to make amazing things happen for so many local community organisations," said Kym.

## TWINNIES GIVES

Every year, the Twin Towns Group donates over \$1,000,000 locally in Community Contributions.

This support reaches a broad cross-section of the community, including sport, early childhood, education, disability, health and indigenous programs.

Millions more are invested into the local economy annually through jobs, suppliers, contractors, entertainers and more.

## BOARD APPOINTS NEW DIRECTOR JIMMY THOMSON

The Twin Towns Board of Directors has appointed well known member and Snooker Club secretary Jimmy Thomson to fill a casual vacancy on the Board following the retirement last year of Deputy Chair, David Phillips OAM.

Jimmy emigrated from Scotland in 2003 and brings vast international experience to the Boardroom, having spent the past 35 years working with blue chip organisations such as Rio Tinto, BHP, DuluxGroup, St George Bank and Lloyds Banking Group.

As a coach, facilitator and keynote speaker, Jimmy has consulted across a broad range of industries in safety culture and leadership, as well as change management using techniques grounded in neuroscience and psychology.

His passion, outside of snooker, is to support workers in high-risk industries to reduce human error by making safer decisions in key moments. He believes

Jimmy Thomson

every person deserves to be safe at work so they can come home and live the life they love outside of work.

Upon his appointment, Jimmy said, "Meeting and working with many of the

other Directors and Management over the years sparked my interest and I felt that maybe I could offer something in terms of my experience and skill set.

"This role will give me the opportunity to give something back to a Club that has given me so much enjoyment over the years.

"I've witnessed and experienced firsthand the culture and camaraderie that exists between members of Twin Towns, especially within the internal clubs.

"Twin Towns is highly regarded within the community and I am honoured to be a part of it and serve as a Director."

Jimmy looks forward to connecting with as many members as he can in the lead-up to the AGM. When he's not travelling for work, you will find Jimmy in or around the Snooker Club at Club Banora.

Jimmy will be eligible to seek re-election at the Twin Towns AGM on Tuesday 20 May. More details in March Club News.

# REGISTER NOW FOR THE Men's Table Entrée at Twin Towns

**MONDAY 3 MARCH, FLAME COMMUNITY ROOM, LEVEL 1 , 5.30PM – 8PM (QLD TIME)**

The Men's Table, an organisation that holds community get-togethers across Australia for men, is hosting its first Tweed event at Twin Towns on Monday 3 March.

The Men's Table Entrée is an introduction to The Men's Table concept through open sharing and conversation over a relaxed meal.

The Entrée is an opportunity to meet other men, learn how a Table works, and decide whether you'd like to be part of the Tweed Men's Table.

The Men's Table began in 2011, when a group of men decided to get together for dinner. Their intention was to have a place to connect with other men and talk about the highs and lows of their lives.

They've been meeting once a month ever since to talk, laugh and share what's going

on for them. Monthly Men's Tables now take place in every State, all year round.

Queensland & Northern Rivers Men's Table host, Wayne Krueger, said The Men's Table is open to ALL men, from all walks of life.

"Most men who come to The Men's Table are looking for friendship and connection.

"They come looking for mates and find a community of men who support each other in life's ups and downs.

"If this sounds intriguing to you, then I would love to meet you at the Entrée," said Wayne.

The Men's Table creates a sense of belonging, community, peer support and camaraderie that is lacking for many men, even for some who already have a group of mates.

**Registrations for the Men's Table Entrée are essential. The ticket price is \$30.25 which includes dinner. Your beverage of choice - cold drinks or tea and coffee - can be purchased from the Flame bar.**

# Snooker Juniors Compete on the National Stage

Graduates of Club Banora's free Junior Coaching Program - Cooper Thomson, Adam Grunsell and Luke Bofinger - showed they are a force to be reckoned with when they competed in the Australian Junior Championships in Albury last month.

The trip was made possible thanks to \$5,000 in funding from the Twin Towns Services Community Foundation, who have helped with travel costs for the National Snooker Championships for the past six years.

Adam and Luke both impressed by reaching U18 Snooker Quarter Finals with Luke agonisingly coming within one black ball of the Semi-Finals against the eventual champion.

In the U21s, Cooper beat the top ranked three-time champion 2-0 before narrowly missing out by one frame to qualify for the quarter finals.

All three juniors also represented NSW A Team with, notably, Adam coming back from 1-0 down in a semi-final decider to pot the winning shots to get NSW to the final.

The Snooker Club committee, parents and juniors extended their thanks to the Twin Towns Services Community Foundation for their ongoing support.

For more information about the Snooker Club, please call Jimmy Thomson on 0427 764 286 or email [clubbanorasnooker@gmail.com](mailto:clubbanorasnooker@gmail.com)
